

# THE BRIGNOLES

JULY 27, 2014

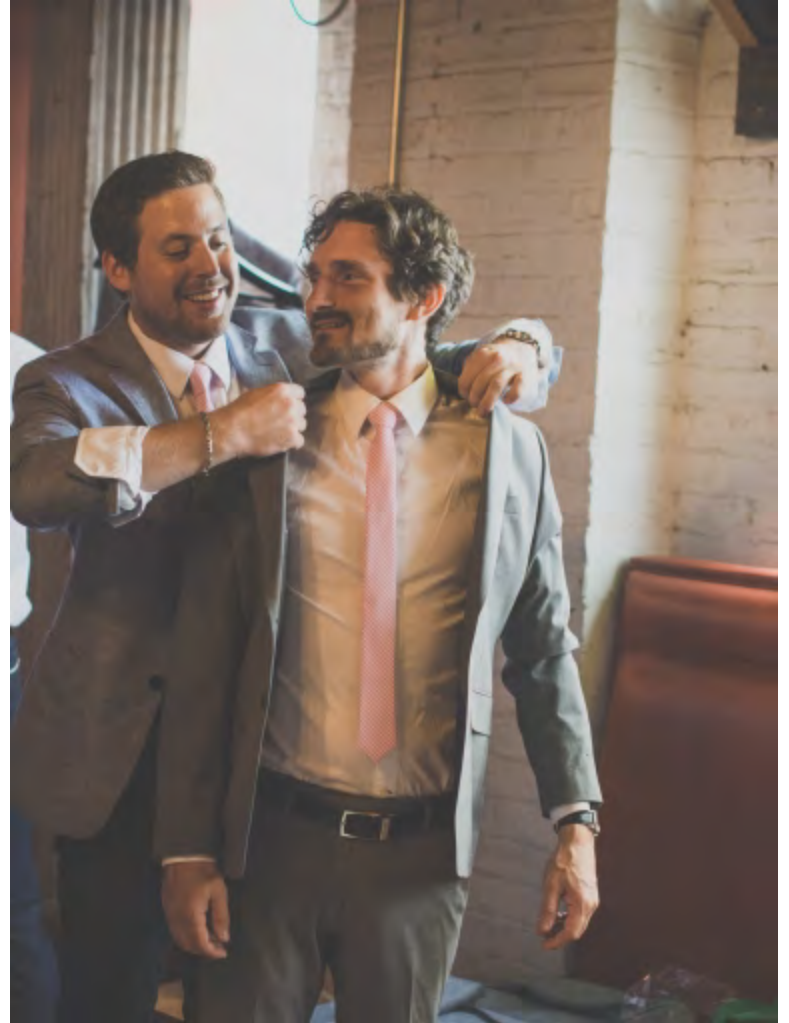

Ryan,  
*I promise to love you to the fullest extent of my heart, each and every day. To be honest, and loyal, no matter the cost. To celebrate your triumphs and support you through your challenges. To work each day, to make sure we grow together. To nurture your dreams because through them your soul shines. To learn to trust beyond doubt and love beyond measure. And never let you forget why I'm the silly little bird that you fell in love with. On this day, I give you my heart, and my hand, to walk with you, wherever our journey may lead us.*

*I have died every day waiting for you...*

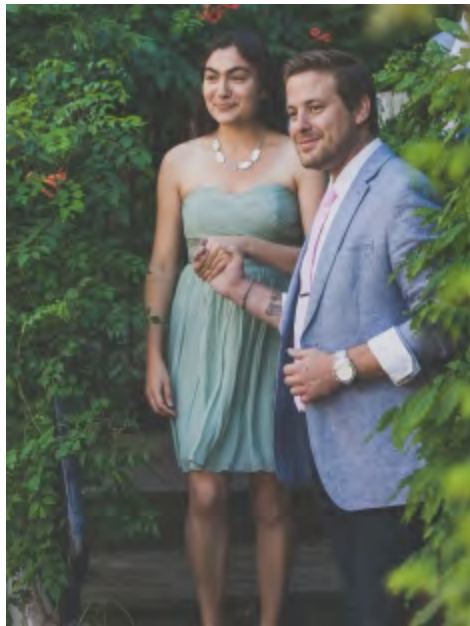

*Darling don't be afraid I have loved you...*

*Time stands still, beauty in all she is...*

*One step closer, one step closer...*

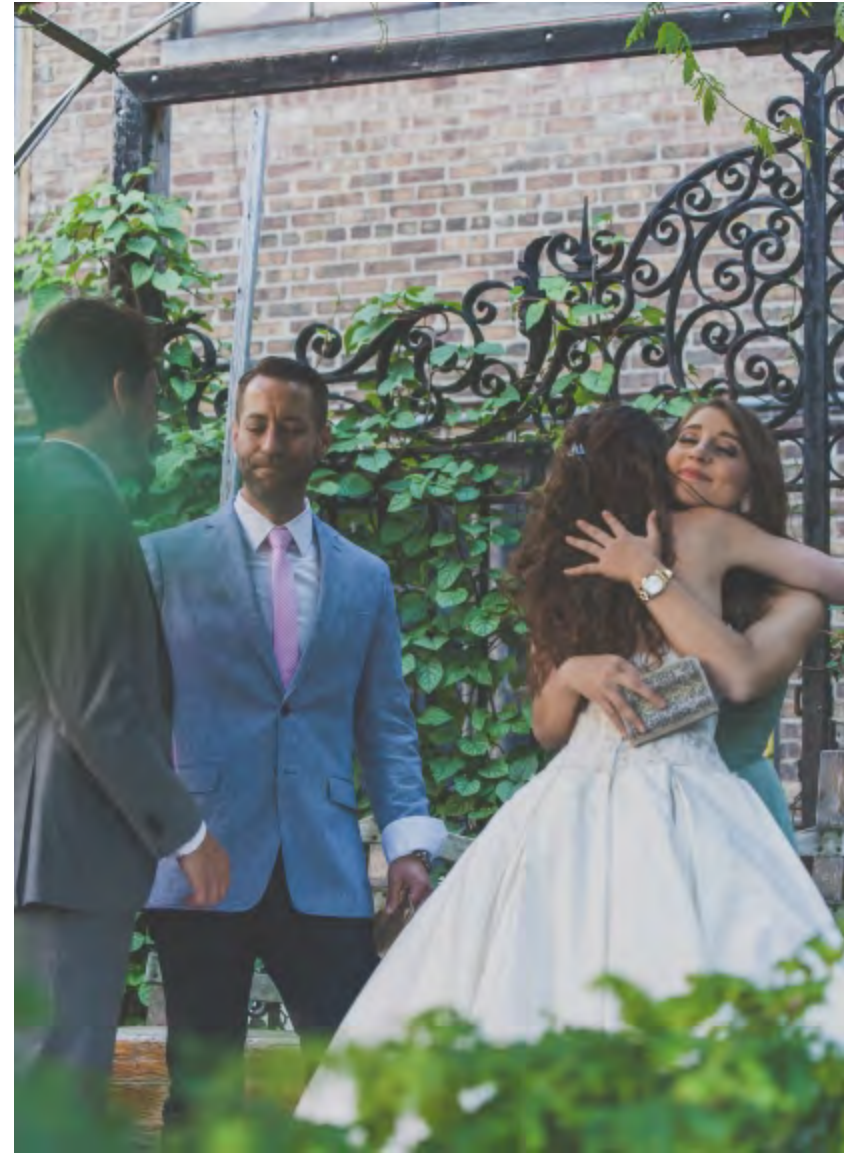

*And all along I believed I would find you...*

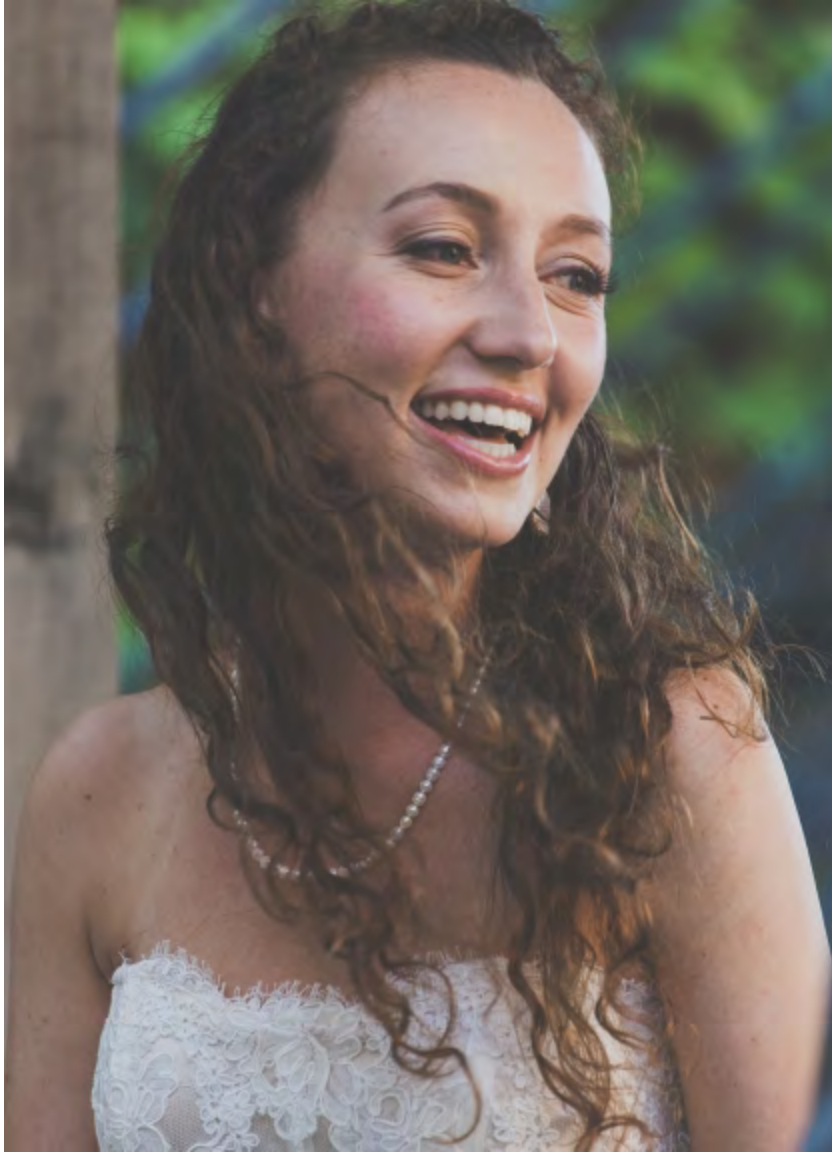

*Time has brought your heart to me...*

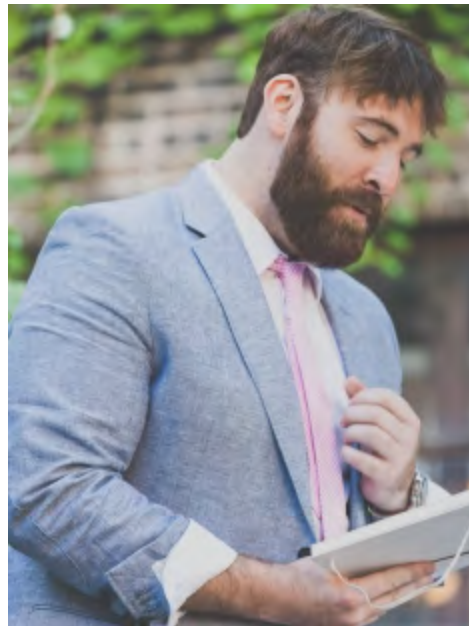

*There's a reason why you wear your wedding band on your third finger. It's because it's the only finger, that when joining together your hands, one cannot separate. This is meant to symbolize that in marriage you become inseparable. And bound together.*

*But you'll be glad baby when you've found, that's the power makes the world go'round  
and with a little help from above  
you feel the power of love, you feel the power of love  
can you feel it? -Huey Lewis & The News*

*Will you, Ryan, take Nancy to be your wedded wife, your little bird?*

*I will.*

*Will you, Nancy, take Ryan to be your wedded husband, your handsome truck?*

*I will.*

I ask you to remember that love which is rooted in faith, trust, and acceptance - will be the foundation of an abiding and deepening relationship. No other ties are more tender, no other vows more sacred than those you now assume. If you are able to keep the vows you take here today, not because of any religious or civic law, but out of a desire to love and be loved by another person fully, without limitation, then your life will have joy and the home you establish will be a place in which you both will find the direction of your growth, your freedom, and your responsibility.

*Just live. Let happy come on its own.*

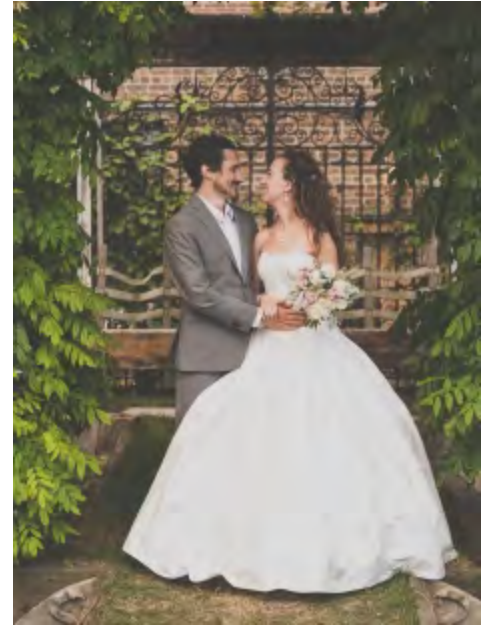

*"...that's the power of love."*

*"You're alive, if you like I could fly." -The Princess Bride*

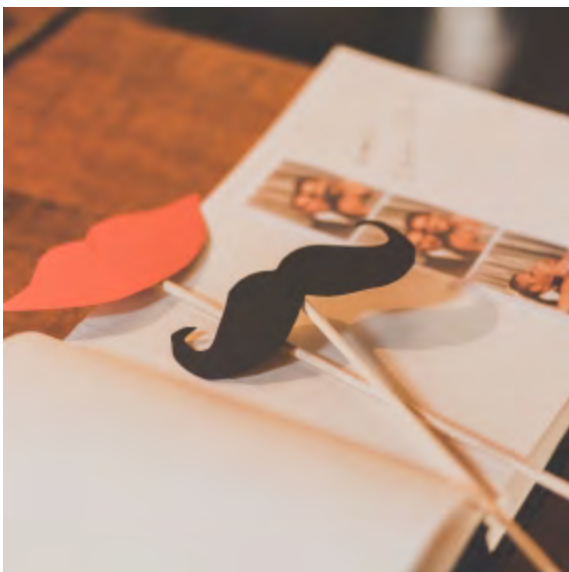

*So, today is the beginning of the first words of many conversations to come.....do you remember when....*

"If we couldn't laugh...we'd all go insane..."  
-Jimmy Buffet

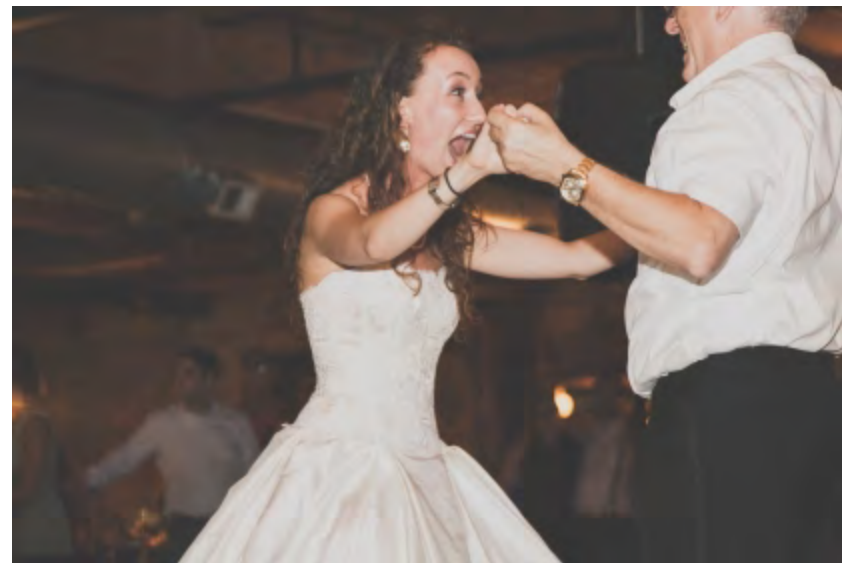

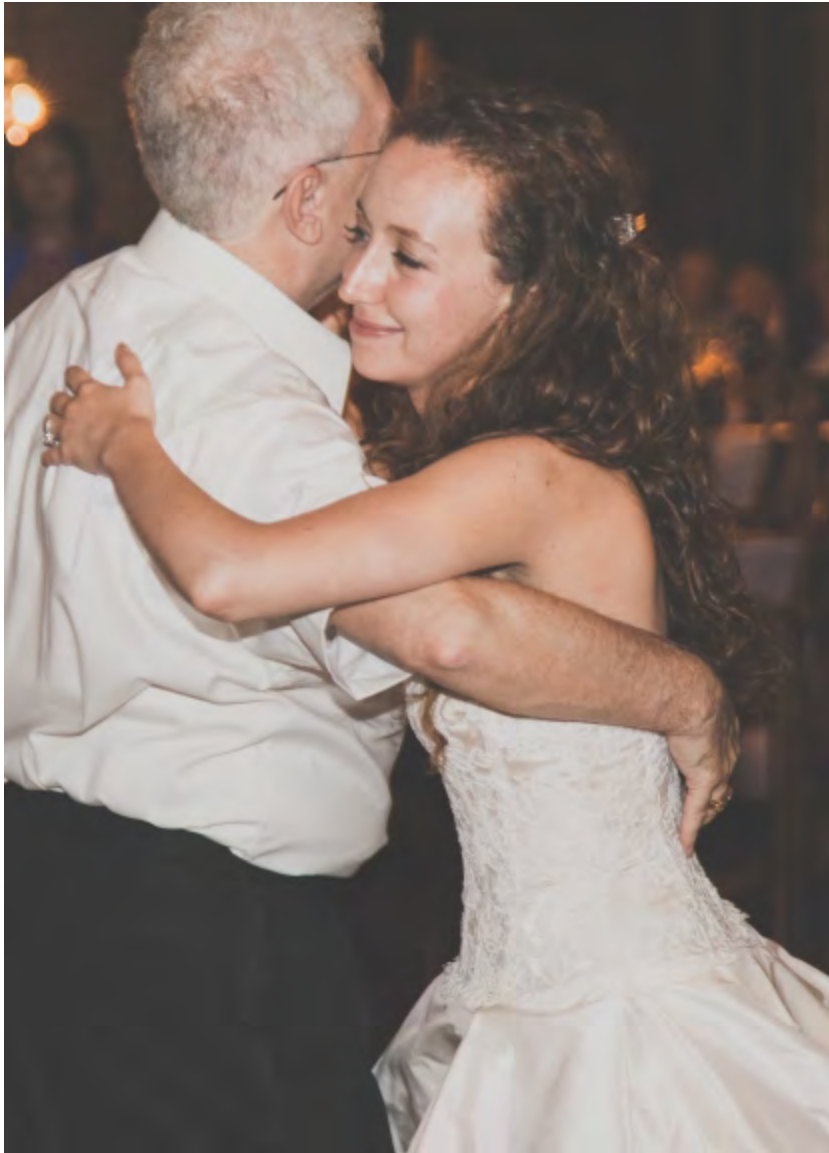

*Stars fading but I linger on dear  
I'm longing to linger till dawn dear  
But in your dreams whatever they be  
Dream a little dream of me  
-Robbie Williams*

*My mama loves me  
She gets down on her knees and hugs me  
She rocks me like the rock of ages  
And she loves me  
She loves me, loves me, loves me, loves me  
-Paul Simon*

*Unforgettable in every way  
And forever more, that's how you'll stay  
That's why darling, it's incredible  
That someone so unforgettable  
Thinks that I am unforgettable too  
-Nat King Cole & Natalie Cole*

*'Cause I love the way you say good morning, and you take me the way I am  
-Ingrid Michaelson*
